

# Getting Started

Standard  
Digital Talking Book Player

- 1** Remove the power cord from the rear compartment and plug the player into a power outlet.
- 2** The player will turn on and you will hear “Player On.” Do not yet insert a book cartridge.
- 3** Press each button to hear a brief description of its purpose and use. Please listen to each message in its entirety.

Once you have explored the player and are ready to listen to a book:

- 1** Hold the book cartridge by the finger hole, with the braille label facing up, and firmly insert it into the slot at the front of the player.
- 2** The book will start playing automatically. To stop playback press the Play/Stop button.

To listen to a comprehensive user guide at any time, press and hold down the Play/Stop button for four seconds.
